Subject: RE: Metrics needed for update

Brandi,

Attached is a spreadsheet that addresses the following data requests listed below:

Number of locations samples based on complaints
Total # of samples collected
Total # of sample results

As we discussed, EPA and TCEQ are still in discussion as to how/if total number of complaints will be tracked.

All information requested can be found in the "Summary" and "Sample Counts" tabs.

Let me know if you have any questions.
